

FAQ — Academic degree certificate(s)

- > Do I require a certificate from the Akademische Prüfstelle?

You need to obtain a certificate from the Akademische Prüfstelle (APS) if you are an applicant from India, China, or Vietnam. We advise you to start the authentication process of your documents at the same time as your application to simplify and accelerate your student visa application process in case you are accepted to our programme.

More information for applicants from India can be found [here](#)

More information for applicants from China can be found [here](#)

More information for applicants from Vietnam can be found [here](#)

Please note that this is only a sample University Degree and is intended solely to illustrate the formal criteria!
